2. REGISTRATION

Prospective students are required to complete a registration form after a course has been selected from the table above. A passport photograph is attached to the registration form before submitting.

3. PAYMENT

At registration, **a minimum of 40% of the course fee is required.** Payments in installments is supported up to three times. All payment must be completed halfway through the course duration. A grace period of one week will be considered for late payments. Failure to comply to these arrangements will lead to a discontinuation of the training.

4. COURSE DURATION

The course duration will run as stated in each course information. We support a flexible schedule for the classes to accommodate the unique circumstances of each student. All classes will be scheduled between 9am – 4pm. The student is required to give advanced notice to the management if he/she cannot attend a scheduled class due to emergency or unforeseen occurrences.

5. CERTIFICATION

We are registered and certified training center with The Computer Professionals Registration Council of Nigeria (CPN). We issue out certifications on all of our courses after a series of evaluation on the student. These evaluations include oral, written and practical test to ascertain the skill level and expertise of each student towards the end of the training.
